End State

Foundstone Risk Management Roadmap

KEY DIFFERENTIATORS

- » Our End-Game (Results)
 - "When security counts, clients count on Foundstone."
- » Our Expertise
 - "We author the books, develop the tools, and teach the classes."
- » Our Experience
 - Multi-vertical, Multi-size, Global, Extensive
- » Our Execution (Methodology)
 - "In order to capture a thief you must think like a thief."
 - "It's easier to teach someone with ethics to think like a thief than to have a thief act ethically!" (Jane Franklin, "Ex HACKER: the unspoken, dirty little secret", Corsaire Limited)
- » Our Education
- » Our Project Management
 - "Daily reporting so you don't have to manage your vendor."
